

**HORTON PARK
Ladies' December
Newsletter 2011**

Another 12 months have flown by - mostly filled with lots of laughter, enjoyable golf amongst good friends and, at times, angst and concern over our iconic club and its future. Often it is the uncertain times which outwardly do not appear to benefit us but which can build strength and character in us all.

In 2012 we can look forward to more laughter and more enjoyable golf amongst good friends. 2011 has been a huge success for many of our golfing members - some great scores ensuring reduced handicaps to match.

CONGRATULATIONS to ALL!!

**I never did see the sense in keeping my head down.
The only reason I play golf is to see where my ball goes!! (R.T.)**
